T000177-101422	10/14/2022	<p>Citizens for Fauquier County submits the following FOIA requests. Please provide electronic copies of the documents when available. If any documents do not exist, or an exemption is claimed for any of the 8 itemized requests, please provide the corresponding number to which each exemption is claimed, and to which no documents exist. Please let me know if you have any questions.</p> <p>Thank you. Amy Trotto, Executive Director of Citizens for Fauquier County</p> <p>1. All documents submitted, filed, reviewed, available or related to all pre-application meetings held between the Town of Warrenton and Amazon and Amazon's representatives and consultants (including Bohler Engineering and Corgan Associates) in SUP Application 10612.13, including the meetings held on or about November 10, 2021 (19 representatives on the zoom invite), December 17, 2021 (follow-up to share plan changes/exhibits) and March 2, 2022. The documents include but are not limited to the pre-application meeting request forms, special use permit applications with all statements of justification, attachments and exhibits, plans, drawings, studies, reports, notes and correspondence.</p> <p>2. All notes, minutes, video and/or audio recordings of pre-application meetings referenced above, held on November 10, 2021, December 17, 2021 and March 2, 2022.</p> <p>3. All routing forms or requests for Agency Comments, and all Agency Comments in relation to Amazon's Special Use Permit application 10612.13.</p> <p>4. The Town of Warrenton's file on Data Center Zoning Ordinance Text Amendment ZNG2021-0321, and all documents relating or referring to the Text Amendment, including all correspondence, reports, memorandum, staff reports, notes, research, studies, and drafts of the text amendment.</p> <p>5. Any and all documents exchanged between or relating or referring to correspondence or communications between Town employees, Staff and elected and/or appointed officials and David Dobson and/or David Dobson's attorney, including James Downey, regarding data centers or potential uses or development of all property owned by or on behalf of David Dobson and/or his affiliations from January 1, 2021 to present.</p> <p>6. Rob Walton's notes of the meeting held with Dominion Energy on November 30, 2021. Mr. Walton's notes were referenced in Mr. Walton's December 9, 2021 email to Brandie Schaeffer.</p> <p>7. All documents exchanged between or relating or referring to correspondence or communications between Town employees, Staff, elected officials and/or consultants and/or Brandie Schaeffer* and/or Amazon, Amazon's employees, representatives, attorneys or consultants from April 1, 2022 to present.</p> <p>8. All documents exchanged between or relating or referring to correspondence or communications between Town employees, Staff, elected and/or appointed officials and/or Brandie Schaeffer* and/or Amazon and Amazon's representatives and/or Fauquier County employees, staff, and elected and/or appointed officials relating to the proposed Resolution to Support Underground Transmission Line Routing for the Proposed Dominion Energy Virginia Blackwell Substation, uploaded on September 7, 2022. The documents should include those relating to the preparation and research of said Resolution, and decision to remove said Resolution from the Town Council's September 13, 2022 Agenda.</p> <p>*Documents relating to Brandie Schaeffer include while employed by the Town of Warrenton, Amazon, and in her individual capacity.</p>	<p>Updates to the request are by date in a different color</p> <p>10/18/22 David Dobson, and his attorney, James Downey, include those names in the search. Mr. Dobson owns several parcels of property in Town - across from the Amazon property on 17, the old wire factory, several parcels off of Meetze Road.</p> <p>10/28/22 With regard to Mr. Dobson, we will not request copies of the application documents you have referenced. However, if there are emails between Mr. Dobson and/or his attorney James Downey and the Town relating to data centers, those would still be included.</p> <p>10/18/22 Please do not include any purchasing or newsletters or advertising or generic promotional materials from Amazon to any Staff, and if there are certain Staff members who only handle those types of communications, they and their records may be excluded from the search.</p> <p>10/18/22 With regard to communications between Ms. Harris and Amazon's attorneys, I also would say to exclude documents relating to the Harris Teeter gas station application except that in the prior production, I found several emails where both the gas station and data center SUPS were addressed in the same email in the Harris Teeter records as an efficiency matter between Staff and John Foote's office. Therefore, the request might include correspondence between Staff, Town officials and Amazon or Amazon's attorney, but other documents relating to Harris Teeter's gas station application (documents submitted, studies, reports etc.) may be excluded.</p> <p>10/26/22 On #5, please provide the PIN numbers for every parcel Mr. Dobson is attempting to develop, and confirm that the development is a residential subdivision.</p> <p>On #8, please include internal to internal as well</p>	over 9,000 documents reviewed.
